*For Immediate Release*

## Shane Whiteside joins Zentech Manufacturing Board of Directors

**October 16, 2014, Baltimore MD**

[Zentech Manufacturing](#) is pleased to announce the appointment of Shane Whiteside to its Board of Directors.

Mr. Whiteside has been a driving force in the electronics industry for two decades, most recently as the former Executive Vice-President and Chief Operating Officer of TTM Technologies, Inc. During his ten year tenure as TTM's COO, Shane led the company's growth strategy initiatives and profitably scaled the business from \$89 million to \$1.4 billion through both organic growth and multiple strategic acquisitions.

Matt Turpin, President and CEO of Zentech commented, "It is truly rare for a business the size of Zentech to have the opportunity to secure a board appointment of this magnitude. Shane's business acumen, industry reach, proven successes, and his experience in the merger and acquisition process will prove invaluable as we execute Zentech's own growth strategy. I look forward to working closely with Shane and our other board members as we embark on the most exciting period to-date in Zentech's incredible journey".

As previously announced, [NewSpring Capital](#) has provided a combination of mezzanine debt and equity financing to Zentech Manufacturing. The proceeds of the financing are being used to provide capital for the future growth of the company.

**About Zentech:** Zentech Manufacturing, Inc. is a privately held, engineering-driven contract manufacturer specializing in the design and manufacture of highly-complex electronic and RF circuit cards and subassemblies. The company is headquartered in its purpose-built facility located in Baltimore, MD and maintains several key certifications, including ISO 9001:2008, ITAR (US State Dept), AS9100 (aerospace), and ISO 13485 (medical). In addition, Zentech is a certified IPC Trusted Source supplier for IPC Class 3 mission-critical electronics, and the company is IPC J-STD-001 Space Addendum QML certified.
